MORE FOCUS, DRIVE AND ENDURANCE!

"I honestly feel I have more focus, drive, and endurance since supplementing with Mega Omega®. Experiencing very little muscle fatigue after a training run allows me to continue my day without feeling tired and sluggish. Dry skin improved as well."

- Christine Crawford, WI

EXCEPTIONAL QUALITY INGREDIENTS

OMEGA-3 — important for healing the body and maintaining good health. Experts consider that our current consumption is much less than it should be, and recommend eating foods with a higher ratio of Omega-3 to Omega-6.

VITAMIN D-3 — necessary for retaining bone density and maintaining the body's immunity against cancers, heart disease, diabetes, weakness, muscle atrophy, and osteoporosis, among other disorders.

VITAMINS C & E — for the growth and repair of tissues in all parts of your body.

DIETARY FIBER — **SOLUBLE FIBER** offers high mucilage content and many health benefits, including helping to regulate blood glucose levels and lower cholesterol. **INSOLUBLE FIBER** offers many benefits to intestinal health, including stimulating bowels to promote regularity.

LIGNANS — have been shown to help boost the immune system.

HIGHER GOOD CHOLESTEROL! LOWER BAD CHOLESTEROL!

"My diet hasn't varied much in the last year, but ever since I started using Mega Omega®, my health sure did! My total cholesterol dropped 8 points — LDL (bad cholesterol) down 32 points, good cholesterol up 21 points. I was the only one in my company to score a perfect 100 points in this year's Health Risk Assessment!"
